## MEDIA ALERT

### GREATER TZANEEN TO CONDUCT A MASSIVE CLEAN-UP CAMPAIGN

The Greater Tzaneen Municipality in partnership with Eco-Clubs will be launching a series of Clean-Up Campaigns, aimed at minimizing solid waste in the municipality. The campaigns will also be aimed at empowering and educating the rural communities to recycle, re-use and reduce waste.

The mayor, Alderman OJ Mushwana said earlier last month that the issue of environment is not a matter of winning the cleanest town award, but for the municipality to raise awareness to the communities about the importance of keeping the environment clean. He said this after Tzaneen was named the 1<sup>st</sup> runner-up for the 2007/08 national cleanest town competition for the second year running.

The municipality has won the cleanest town competition not fewer than five times in the Province - since its inception in 2001. The campaign would be held under the theme: "All hands on deck towards the low carbon Economy." The clean-up campaign is planned as follows:

**Date:** 02 August 2008  
**Venue:** Nkambako Village  
**Time:** 08H30 – 09H45

Your media is invited to attend and offer coverage to this event.
